OLYMPIC MASCOTS

MASCOTS

“The Knight and The Tiger” is a Georgian epic ballad. Main characters of the poem possess equal strength. In the story there is no winner or loser, good or evil, it describes the confrontation of two identical forces.

In our reality, the confrontation was transformed into sport activity and healthy competition. That’s how The Boy and The Tiger were created. These Olympic mascots are prototypes of the famous characters.

Tbilisi 2015 mascots are cheerful and fit, inseparable, good friends who constantly compete with each other.
